

Computer Architecture and Assembly Language Programming-Lab

Home Work- 03 (Deadline 23-May-2022)

Please carefully read the following instructions before attempting homework.

RULES FOR MARKING (3 wtg)

It should be clear that your assignment would not get any credit if:

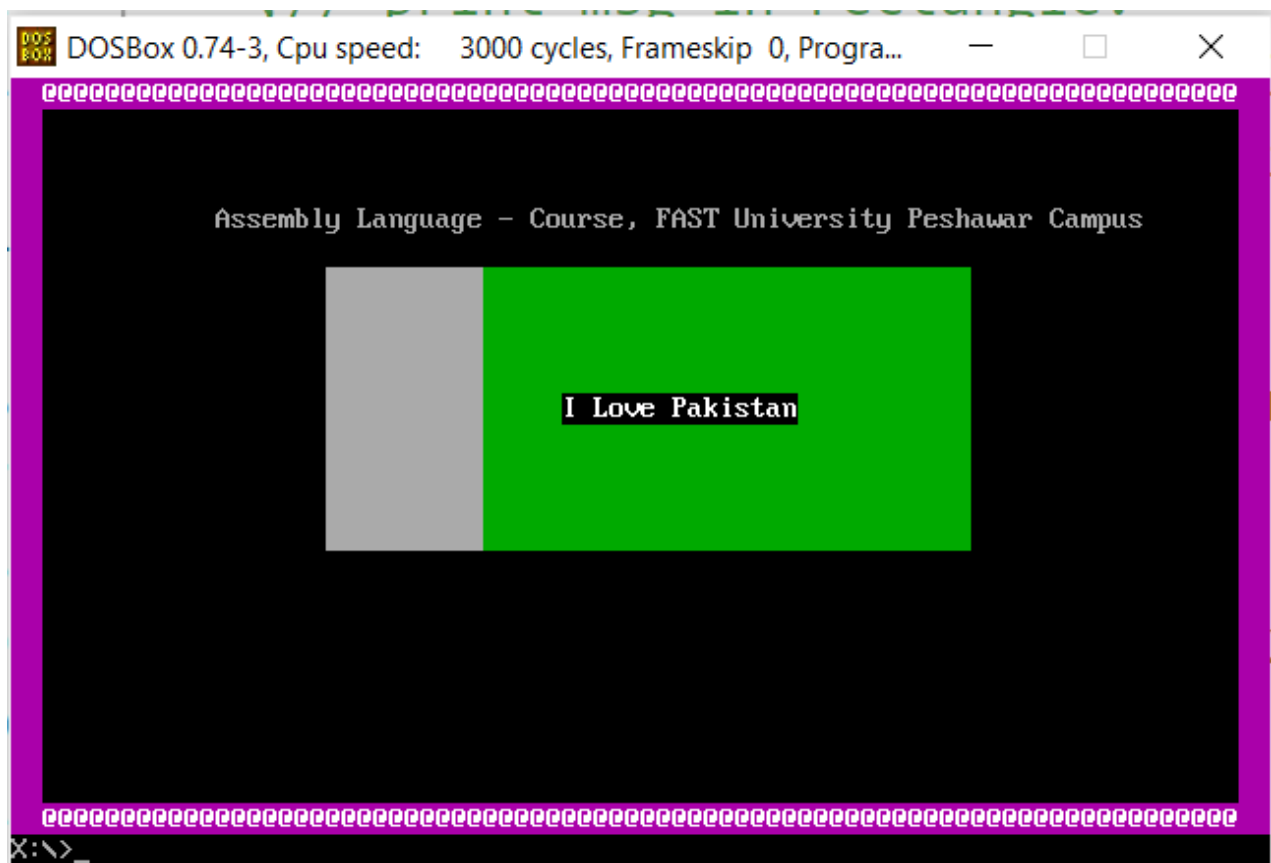

- The assignment is submitted after the due date.
- The submitted assignment does not open or file is corrupt.
- Zero marks will be given if the submitted solution is copied from any other student.
- **Note: You can take help from Internet.**

If you people find any confusion in assignment (Question statement), please consult with me before the deadline. After the deadline no queries will be entertained in this regard.

Q.

Write a program in assembly language that display the design given below.

Sample screenshot:

What to submit:

Submit your assembly language code in a **.asm** or word file (doc or docx) and output screenshot.

Best of luck 😊
